

IntrudaShield®

An Australian Glass Group Product

Security Laminated Glass,
Your Security Shield
against Intrusion

IntrudaShield® is Security Laminated Glass for when stronger resistance is required, acting as a Shield against intrusion.

This Security Laminated Glass offers peace of mind for your home with stronger resistance compared to regular laminates using an interlayer 4x thicker that provides a Shield up to 20x stronger than regular float glass.

Thickness:

- 9.52mm & 11.52mm IntrudaShield®
- Maximum size: 3660 x 2440mm

Applications:

- Windows/Doors
- External Glass Facades
- Internal Glass Walls
- Skylights/Rooflights

Note: Larger sizes available on request.

IntrudaShield Ultra® is high level Security Laminated Glass for heightened levels of security, acting as a Shield against more forceful intrusion.

Ideal for Commercial use or wherever heightened levels of security is required, IntrudaShield Ultra® is designed and internally tested to withstand stronger attacks from intruders using a variety of tools and weapons. A range of thickness options are available to suit all facility and security types while being suitable for internal and external application.

Thickness:

- 11mm IntrudaShield Ultra®
- 13mm IntrudaShield Ultra®
- 15mm IntrudaShield Ultra®
- Maximum sizes are 3660 x 2140mm
